Chorus rehearsal and Kitazawa-san's Oppenheimer mask >

by [Professor Allan Marett](#)

The main purpose of this blog is just to show some photos leading up to the production, which is now only a little over two weeks away. Here is Kitazawa-san showing me the preliminary stages of the new Oppenheimer mask. We discussed colour and various other issues. He has just arrived this morning.

And here are some shots of the rehearsal of the chorus at Bland St. It's sounding great.
